

Tandem Diabetes Care Announces Clinical Advisory Board

SAN DIEGO, CA, October 13, 2008

Tandem Diabetes Care, Inc., a privately held company, today announced the formation of a clinical advisory board. Committed to advancing the management of diabetes care, Tandem is proud to welcome the following industry experts to this advisory board:

- Jen M. Block, BSRN, CDE, a Diabetes Educator and Research Nurse at Stanford University Medical Center in the Department of Pediatric Endocrinology
- Gloria Yee, BFA, CDE, a Diabetes Educator and one of the Principal Instructors at the University of California at San Francisco Diabetes Teaching Center
- John Walsh, P.A., CDE, a Diabetes Clinical Specialist at Advanced Metabolic Care + Research in Escondido, CA and the co-author of *Pumping Insulin* (now in its 4th edition), *Using Insulin*, *The Pocket Pancreas*, and *STOP the Rollercoaster*

"We are incredibly fortunate to have Jen, Gloria, and John – three of the nation's most prominent diabetes educators – join Tandem as the inaugural members of our clinical advisory board," said Kim Blickenstaff, Tandem President and CEO. "We look forward to leveraging their insight and experience to support even greater innovation in our product development."

About Tandem Diabetes Care, Inc.

Dedicated to advancing the management of diabetes, Tandem Diabetes Care, Inc. is an early-stage company using novel technology in the development of a medical device for insulin administration. Tandem is based in San Diego, California.
