Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 4, 2020, Tandem Diabetes Care, Inc. (the "Company") announced that Kathleen McGroddy-Goetz, Ph.D., age 56, was elected to the Company's Board of Directors (the "Board") effective June 8, 2020. Dr. McGroddy-Goetz will serve as a Class I director, with a term that expires at the Annual Meeting of Stockholders of the Company to be held in 2023 or until her earlier resignation or removal. The Board has affirmatively determined that Dr. McGroddy-Goetz qualifies as an "independent director" under the NASDAQ Listing Rules.

Dr. McGroddy-Goetz has more than 25 years of experience leading global teams across business development, strategy, research and development, and product management. She has commercialized pioneering technologies spanning from microelectronics through cloud, advanced data analytics, AI, hardware, software, and middleware with an emphasis on healthcare and life sciences applications. Dr. McGroddy-Goetz has served as the Global Head of Strategic Partnerships at Medidata Solutions, a Dassault Systemès Company, since October 2018 where she has also concurrently held other strategy, alliances and marketing executive roles. Previously, she held various leadership positions at IBM beginning in 1992, and most recently was Vice President, Strategy and Innovation, IBM Watson Health. Dr. McGroddy-Goetz received a B.S. in Physics from SUNY Binghamton and a Ph.D. in Molecular Biophysics from Cornell University.

We believe Dr. McGroddy-Goetz's experience in management commercializing pioneering technologies spanning microelectronics, cloud-based technologies, advanced data analytics, AI, hardware, software, and middleware with an emphasis on healthcare and life sciences applications, brings to our board critical skills related to digital health, scaling complex organizations and strategic planning that qualify her to serve as one of our directors.
